Memo:

Constructional and By-Law Amendment passed at the Annual General Meeting in August included a change to membership eligibility.

Please incorporate this change into your Club By-Laws.

ASSOCIATE MEMBER: By-Law II - Membership Section 6:

6. An Associate Member is a member who does not qualify for regular membership, as stated in By-Law II.1: II. 1.2: II. 1.3

6.1 An Associate Member shall support the objectives and purpose of CFUW.

6.2 Associate Members are entitled to all the privileges and responsibilities of membership in CFUW.

6.3 Associate Members shall pay full CFUW per capita dues.

6.4 Associate Members shall not exceed twenty-five per cent of the total number of members for whom the Club has paid CFUW per capita dues as recorded in the most recent Club Annual Report to National Office; that is regular CFUW members 80 per cent, associate members 20 per cent.

EG:

Associate Members divided by Regular members = 25%

If a club has 100 members, no more than 20 (20% of the total) of those members may be associate members, because $20/80=.25$
